Hi Jim,

Doing well. Hope you are too. I think OAR is a better place for a discussion on new regs. OECA is not really in the loop.

Hey Greg,

Hope things are well. We are doing another Air workshop in Region 6. May 8-10. I'm wondering if anyone from your group could present. The states want to know about new regulation and also some discussion on "Hot Topic" like the once in always in recension.

Any ideas?
